Internship opportunity

at our office in Hamburg

We are looking for students of urban/spatial planning or similar disciplines, such as geography, economics, political or cultural studies

Requirements:

- intermediate diploma or Bachelor degree, preferably three or more years of study
- candidates should be enrolled at university
- very good English and at least basic German language skills – further languages (especially Polish, Swedish, Danish, Finnish, Estonian, Latvian, Lithuanian, Russian, Norwegian) would be an asset
- communication and teamwork skills and an interest in creative and independent work
- computer skills (MS Office), preferably also in design software and/or CMS

Possible tasks:

- Insight into EU-funded transnational and interregional projects (INTERREG, Horizon 2020 and others) on various topics of urban and regional development with project partners from all over Europe
- contribution to the project management of running projects and to the development of new projects in different areas
- preparation, support and follow-up of meetings and events of the below-mentioned projects and further activities, updating the website
- assistance in the general office organisation

Our current projects deal with topics such as renewable energy and energy efficiency (e.g. AREA21 – Energy Efficiency in Urban Districts), rural development (e.g. MAMBA – Mobility and Accessibility in Rural Regions) integration of refugees (e.g. MICADO – Migrant Integration Cockpits and Dashboards), economic development and others. For further information on these and all other current projects please visit our website.

Would you like to get to know the everyday work at REM Consult?

- We are looking for university students interested in an internship **from May 2020** for a duration of at least eight weeks, preferably twelve weeks or longer
- Remuneration: up to 450 € monthly, depending on qualification level and specific activities
- If you are interested please send your cover letter, CV and further application documents to Hakan Uraz (uraz@rem-consult.eu), stating your motivation, qualification, skills and professional interests, as well as preferred start date and duration of the internship

We are looking forward to receiving your application!
