

## **Internship opportunity (European Project Management)** at our office in Hamburg

**We are looking for students of urban/spatial planning or similar disciplines, such as geography, economics, public management, political or cultural studies or else**

### **Requirements:**

- Intermediate diploma or bachelor's degree, preferably three or more years of study
- Candidates should be enrolled at a university at the time of the internship
- Excellent English and at least basic German language skills – further European languages (especially Danish, Estonian, Finnish, Latvian, Lithuanian, Norwegian, Polish, Swedish) would be an asset
- Basic understanding of the EU system, funding programmes and institutions; knowledge of the INTERREG Programmes is a plus
- Communication and teamworking skills and an interest in creative and independent work
- ICT skills (MS Office), preferably also in design software (e.g. Adobe InDesign) and/or CMS (e.g. WordPress)

### **Tasks and opportunities:**

- Insights into EU-funded transnational and interregional projects (INTERREG, Horizon Europe and others) on various topics of urban and regional development with international partners
- Contributions to the management of running projects and to the development of new projects in different areas and further supporting activities in communication, financial management and reporting
- Preparation, support and follow-up of meetings and events of running projects
- Research activities in different fields and editing, proof-reading and drafting of texts
- Assistance in general office organisation

Our projects deal with diverse topics such as renewable energy, rural development, mobility, social innovation, cultural and creative industries, integration of migrants and refugees, circular economy, sustainable development, economic and social resilience, nature conservation and others. For further information on all current and past projects, please visit our [website](#).

### **Would you like to get to know the everyday business at REM Consult? Then do not hesitate to send in your application!**

We are looking for university students interested in an internship for the duration of at least two months, preferably twelve weeks or longer. Remuneration will be up to 520 € monthly, depending on qualification level and specific activities. The benefits package also includes a free-of-charge public transportation ticket ("Deutschlandticket" – valid for all public transport carriers all over Germany). The internship is an in-person assignment at our office in the heart of Hamburg, with partial remote work possibilities.

If you are interested, please send your cover letter, CV and further application documents stating your motivation, qualification, skills and professional interests, as well as preferred starting date and duration of the internship to [internship@rem-consult.eu](mailto:internship@rem-consult.eu)

**We are looking forward to receiving your applications!**
